Dear 妙珠.

I'm a Shin Buddhist (Otanika). I thank you for your book (伝道新書 20. 仏陀のエネルギー - The energy of Buddha.) Your book is easy to understand for me. I recognize Nenbutsu teach us truth tightly after reading your book. I felt that Shin Buddhism was true Buddhism after reading it, too. I am very happy to meet your book. I wrote a lot of phrases of the book into my notebook. These phrases will be the director to Shinjin 信心. As I met the book, Shin Buddhism will be closely for me. To tell you the truth, I wrote letter in English is my first experience. What Please forgive me not to read my letter easily. If I go to Yokohama, I want to visit your temple.

Sincerely
